Course summary

This free course, Effective communication in the workplace, explores the importance of communication as a skill in the workplace. It aims to increase your understanding of communication skills and to help you to consider how your communication could be perceived by others. You'll cover areas such as verbal and non-verbal communication, written communication and using your communication skills to overcome challenging situations. This statement serves as proof of the successful completion of a course accredited by the CPD Standards Office. You have earned 24 CPD points through your participation in this course.

Learning outcomes

By completing this course, the learner should be able to:

- describe different types of communication and how they are used in the workplace
- recognise the skills required for effective communication
- understand the impact that communication can have on how people are perceived by others
- identify how effective communication can overcome challenges in the workplace
- reflect on current personal communication skills and how these can be developed and used more successfully.
